## 2021 – 2022 Class Schedule

Teaching Shaker oval box making events here and around the country is a thirty-five year tradition. They are backed by our supplies business for craftsmen. Box making events normally are an evening plus the following day. For away events, contact the sponsor directly for enrollment and cost. In addition to oval box making, we teach traditional skills in chairmaking, dovetailing, and projects from John Wilson's award winning book **Making Wood Tools**. These are all good value – with lunch included, too. Noteworthy projects! Methods you can use! And a thirty-five year tradition of great teaching!

**BOX BASICS** – The mission of our shop is to introduce craftsmen to the tradition of Shaker oval box making. Classes are offered at The Home Shop four times a year. Make a nest of five boxes in cherry. Class \$100 plus \$50 materials fee.

**ADVANCED BOX MAKING** – Develop your skills with projects of your choice including oval trays, carriers, boxes large and small, and even musical ones too! One day in The Home Shop is \$75 plus cost of materials from the catalog.

**CROWN BOX - Round Open Box with Rim**, see Popular Woodworking 2016, found in “articles” on our web site. One day in The Home Shop is \$100 plus cost of materials from the catalog.

**A DAY in SANTA'S WORKSHOP** – Come make fine gifts for the Holiday Season. Pick from nest of oval trays, miniatures, music boxes and more. One day class is \$75 plus cost of materials from the catalog.

**WINDSOR SIDE, ARM or ROCKING CHAIR** – David Abeel's innovative designs give a new appreciation for this classic. The side chair is \$220 plus \$90 materials, arm chair \$240 plus \$105 materials, and the rocker is \$260 plus \$135 materials.

**WINDSOR TALL STOOL or BOOT BENCH** – Join David Abeel and John Wilson to make a tall stool that is comfortable at your work station. Class \$160 plus \$60 materials fee. The Boot Bench is quite handy for getting into your favorite pair of work boots. \$160 plus \$60 materials, boot bench with back \$220 plus \$90 materials. Add a footstool to go under either bench for just \$25.

**HAND CUT DOVETAILES** – Learn how to make hand cut dovetail joints and make a classic Shaker dining tray. The project offers a great introduction to this fine craft skill. Class \$100 plus \$60 materials fee. One of John's favorites.

**PLANE MAKING** – Where each participant makes their own block, shoulder or molding plane. Shape the wood body, harden and temper the blade. Final sharpening makes it a plane. Class \$100 plus \$60 materials fee.

**SPOKESHAVE & TRAVISHER PLANE** – Choose one of these versatile tools from John's award winning book **Making Wood Tools**. Gil Chesbro teams up with John in this one day class, \$100 plus \$60 materials fee.

We produce a full line of box making supplies. The **four page catalog** lists wood parts, patterns, tools and instructional materials. Visit our website for PDF's of John's articles from **Popular Woodworking** – four oval box projects and three planes. Plus a look at The Home Shop and Solar Drying Kilns.

You will enjoy these projects as much as we do. Good teaching, as well as quality materials and support are what you can expect. Guaranteed.

Hope you can come.

*JOHN WILSON*  
*Eric Pinter*

Great accomplishment in class
